Are Solatubes any good?

The Solatubes are great products, we hope you enjoy them! Highly appreciate Peter for his honest and professional services. Sola-lite product is great & more importantly, Installer (Manny) is even better! Very patient, knowledgeable, & courteous!

Who are the best Solatube installers?

Highly recommend. Brad, Troy, and James are great. Brad and Troy were responsive and helpful with questions before James installed a Solatube in my living room and an attic fan. James steered me away from a Solatube in my low-light bathroom because it would rarely get sunlight, so I appreciated his honesty.

What services does Solatube offer?

Solatube offers full-service support for residential and commercial projects. Our certified installation consultants are daylighting experts who make the process of selecting and installing Solatube products convenient and easy.

Are Solatube skylights any good?

Solatube only gives a 10 year warranty which is pretty lousy when you consider that it's going on your roof in direct sunlight. They tend to use a lot of plastic in their system including their flashings. There are many tubular skylights on the market today. Some are very poor.

Our established network of Solatube Certified Commercial Distributors are trained to help you with every aspect of your building project. They provide full-service support - from the early stages of defining your project scope through the final ...

Solatube Fresh Breeze Skylights Utilize Solar Energy. Solatube's performance skylights are more than just a natural light source--they can also come equipped with solar-powered features that increase their ...
