

My swollen limbs are visibly reduced in size following treatment. This enables me to move more easily with greater range. Mr R; Not only has the treatment reduces the size of my swollen legs but it has enabled me to reduce the need for daily pain relief allowing natural sleep.

Look online for solar PV installers in Isle-of-Man and contact them directly. Try our request a quote feature. It's free to use, just send us the details of your project and we'll forward these to three solar PV companies near you. They'll then get in touch to offer you a personalised quote.

Douglas council is to start producing its own sustainable solar energy. The local authority has approved funding for a solar farm to power some of its facilities. The generation facility would be built in Braddan and have a life span of around 20 years. It's thought the savings will mean it'll effectively pay for itself within five to seven years.
