"We're so much happier." Since 1991, the state-owned Kiribati Solar Energy Company (KSEC) has distributed approximately 4,400 home solar systems across 21 of the country's 33 islands and received millions of dollars in development assistance from Japan and then the European Union, according to Tavita Airam, the company's chief executive.

Can Kiribati land on South Tarawa?

When a passenger jet approaches South Tarawa, Kiribati's most populous island, at the end of a three-hour flight from Fiji, one wonders where it can possibly land. That is because most of the island is only a few dozen metres wide -- barely enough room, it seems, for a landing strip.
