Puredrive efficiency . Puredrive efficiency I was very impressed with the fact I was able to speak to someone on my first attempt at calling them. Beth was very polite, efficient and processed the problem in the same day. My particular problem had been ongoing for over a year with the company who had installed the batteries and I wasn't getting anywhere with them.

The Maximeyes Group, one of the UKs most innovative energy companies, has acquired a significant stake in leading battery storage company, Puredrive Energy. The new strategic partnership will create a platform from which consumers can reduce their dependency upon the Grid, making substantial savings in energy costs, whilst ensuring that fuel ...
