

Will Australia dismantle Norfolk Island?

On Thursday, they learned the Australian government planned to present legislation to the nation's parliament that would dismantle Norfolk Island's legislative assembly and force the islanders to pay income and company tax to Australia.

Why was Norfolk Island incorporated into Australia?

During World War II, Norfolk Island was an airbase and an important refueling stop in the South Pacific. In 1976, an Australian judge recommended Norfolk Island be incorporated fully into Australia, which Norfolk Islanders rejected. Following an appeal to the UN, Australia granted limited self-government to Norfolk Island in 1979.

Is Norfolk Island a part of Australia?

"It is not over," says Mr Nobbs. Norfolk Island is an external Australian territory in the Pacific Ocean about 1,600km north-east of Sydney. The island has been a part of the Commonwealth of Australia since 1914, when it was accepted as an Australian territory under section 122 of the constitution.

Did Norfolk Island have self-governance?

Norfolk Island was the only non-mainland Australian territory to have had self-governance. The Norfolk Island Act 1979, passed by the Parliament of Australia in 1979, is the Act under which the island was governed until the passing of the Norfolk Island Legislation Amendment Act 2015 (Cth).

Why did Norfolk Island voluntarily surrender its self-government status?

In a move that apparently surprised many islanders, the Chief Minister of Norfolk Island, David Buffett, announced on 6 November 2010 that the island would voluntarily surrender its self-government status in return for a financial bailout from the federal government to cover significant debts.

Does New South Wales apply to Norfolk Island?

From 1 July 2018, all laws of New South Wales apply in Norfolk Island and, as "applied laws", are subject to amendment, repeal or suspension by federal ordinance. The Local Government Act 1993 (NSW) has been amended for application to Norfolk Island.

Our observation is that life on Norfolk Island is very calm and restful. It's an easy life here with little pressure and a balmy climate. The scenery is wonderful and the whole island looks like a giant park. With all this peace and serenity, you would think that you could be back in the 1950's. [...]
