

Sun power gen systems

Who is SunPower-Gen?

In 2001, SunPower-Gen was established to serve Engineering sectors. Today, we design, manufacture, and install most of the engineered products and systems for our clients. We have been serving the industries for over 49 years with a commitment to providing excellent Products and Services.

Who is Sun Power Systems?

Sun Power Systems is the leading manufacturer/marketer/supplier of one of the most advanced solar PV modules in India. With a registered office in New Delhi, the company has a distinct vision of quality production and distribution excellence, powered by servicing aptitude since 2013.

What is Sun Gen?

Sun Gen is an innovative company that specializes in solar energy, with a 75% overall yield. SUN GEN Srl, founded in 2008, has developed an optics system that concentrates sunlight over 500 times by reflecting surfaces with a proprietary curvature. The optical concentration of Sun Gen is lightweight and robust, and lends itself to mass production at competitive costs.
