

Sunken Land Solar Power Blueprint

What is a blueprint in sunkenland?

Blueprints are Items that you can find throughout Sunkenland. Many are random loot, in random locations. A few blueprints can even be purchased from the Trader. Once you read a blueprint, you will then be able to build the item that you've learned. As long as you have the required stuff to build it.

Does sunkenland have a fuel generator?

Plus, a Fuel Generator can help increase power consumption in a base, but it requires players to farm and use gas. Additionally, various electrical appliances are added to the game with the release of Update V0.2.5. The new weather system in Sunkenland coincides with the new power facilities.

What is sunkenland update V0?

Moving forward, Sunkenland Update V0.2.5 overhauls the game's power systems. So, players will find their electricity systems disconnected upon logging into the game for the first time after installing this patch.

What is the new weather system in sunkenland?

The new weather system in Sunkenland coincides with the new power facilities. With the Sunkenland Update V0.2.5, players will now experience different weather, namely sunny, cloudy, and thunderstorms. Sunkenland's developers also mentioned in the patch notes that future updates will have content that interacts with the weather.

What is sunkenland?

Sunkenland is an exciting and unique post apocalyptic survival and exploration gameset in the near future when the ice caps melted and global warming submerged most of the land. Explore sunken cities, build your base, craft items and fight pirates as you struggle to survive on a water world plagued by hunger and violence.

Is sunkenland a survival game?

This game puts you in a post-apocalyptic world where you have to live in the ocean while using sunken buildings and islands to gather resources and survive. While Sunkenland bears some similarities to other survival games like Subnautica and Raft, it is completely different and can be challenging even for the most experienced players.

Hey hey, little question about the "Discover blueprints (0/3)" mission. I have discovered more than 5 blueprints out of safes (and I bought some at the vendor just to try) but there still isn't any ...
