Sunrays Green Power Solutions is one of the preferred vendors for providing customized solutions to customers with varied demands. our company has a highly qualified and experienced team with over five years of experience for executing customized solutions ...

A power generation device in space would convert solar energy into electrical energy, just as solar panels do on Earth. The device would then either convert the energy into microwaves or lasers to beam back to a receiving station on Earth, which would then convert the transmission back into electrical energy and deliver it direct to a power grid.

Sunrays power solutions Congo Republic

Sunrays Power Solutions Private Limited is a 12 years 5 months old Private Limited Company incorporated on 12-Jun-2012, having its registered office located at B-203, West Gate, Near Y.M.C.A. Club, S.G. Highway, Makarba, Ahmedabad, Gujarat.
