

Sweden interpower ltd

How can Interpower help you build equipment that can be sold worldwide?

At Interpower, we can make it easier to build equipment that can be sold worldwide by incorporating into the product design the Accessory Power Strip, which is different IEC 60320 components working together in one system.

Does Interpower offer a jumper cord set?

Interpower offers a variety of jumper cord sets that include current ratings of 2.5A to 20A and voltage ratings of 125VAC to 250VAC. They are available in different conductor sizes and cable types. See the complete line of accessory power strips and jumper cords and cord sets offered by Interpower.

Does Interpower offer free technical support?

Interpower offers free technical support to assist you. Interpower offers a 1-week U.S. manufacturing lead-time on non-stock Interpower products. We have same day shipments on in-stock products and no minimum order or dollar requirements. Interpower manufactured products are made in Iowa and 100% tested.

What connectors are available for Interpower cord sets?

Cord sets can be molded with IEC 60320 connectors such as a straight C5 or C7, a straight or angled C13, or a straight or angled C19. Interpower's Made-to-Order (MTO) department hand-wires country-specific connectors for customers in select countries. A wide variety of accessories are also available.
