MCL provides ongoing advice to companies that are under the supervision of the Swedish Financial

Supervisory Authority. Financial companies need to communicate with the authority in various situations, e.g. in permit applications or during ongoing investigations of possible rule violations, something many companies find complicated to do on their own.

I worked for MCL Energy as a Lead engineer /Supervisor. Took over from a Supervisor who was leaving due to stress. Soon found out why. I was managing five sites that were under manned, with unqualified staff and with multiple roles. Call-out could be 1 in 2 and the sites were rundown. Managed to turn it around but was getting ill trying.

MCL Energy is a specialist provider of HVAC energy and technical solutions. Our aim is to provide our customers with the highest standards of service possible and provide a platform for our people to grow and develop accordingly. To find out more, call 01623 741 940. Contact Us;
