

Sweden svea solar utility services ab

Who is Svea solar utility?

That is why we founded Svea Solar Utility in 2018, because we know that in Solar - size matters. In just over 4 years, we are the leading solar developer in Sweden, and well on our way to becoming a leading player in Europe. To date, we have built more than 110 MW of projects, which on an annual basis is offsetting more than 20 000 tons of CO₂.

Why choose Svea solar?

Svea Solar is the leading solar provider in Sweden offering a complete energy solution for the customer including solar, batteries, car charging and electricity trading. Svea Solar's journey began 2014 when Björn Lind and Erik was starting to sell PV systems, from their apartment in Solna, to homeowners all over Sweden.

Does Svea solar have a PPA with Arla?

Fjällska Park, Svea Solar. Sweden's largest solar energy company Svea Solar announced on Monday it had entered a PPA with Scandinavian dairy multinational Arla to provide 100 GWh of solar energy annually - half of the company's total energy needs for its Swedish operations.

What services does Svea solar offer?

Our services encompass energy optimization and grid services to maximize the sun's potential for customers and society at large. Since 2014 Svea Solar has finalized over 50,000 installations across six European markets aiming to rid the planet of fossil fuels.

How do I contact Svea solar?
