IHI Terrasun Field Engineering. Our field service team leverages a broad range of skills to perform monitoring and maintenance for energy storage projects including batteries, inverters, and digital infrastructure components. IHI Chicago Office 1 North Wacker Drive Suite 2405 Chicago, IL ...

IHI Terrasun has been procuring both NMC batteries and LFP batteries. To understand why people are talking so much about both technologies, we can look at Terrasun's procurement story. In the US energy storage industry, until maybe two years ago or so, most of the projects were deployed with NMC Li-Ion batteries.

IHI Terrasun's game-changing Assured Procurement solution for direct battery procurement slashes negotiation and contracting time, cuts costs, and reduces risk. Comprehensive Lifecycle Solutions From 24/7 monitoring to multi-year ...
