1.2.1 The Third Energy Package has been transposed into Dutch law through the amendment of several laws and regulations, including amendments to the Electricity Act 1998 made on 20 July 2012 (E-Act) in relation to, inter alia, the unbundling of the transmission networks. Since the E-Act already contained far-reaching unbundling requirements, only a few amendments were ...

Hi all, I want to purchase a new laptop from the US, the MacBook Air. But before I do this I want to know what the warranty is like in The Netherlands vs the US. An Apple employee told me the warranty wouldn't be valid in NL if my Mac is from the US? Not sure if I trust the dude that wanted to replace my spacebar for a whopping EUR450.

Welcome to /r/Netherlands! Only English should be used for posts and comments.
