

There is a locker that can hold an umbrella

How do you store umbrellas in a hallway?

Umbrella stands are the best option for keeping your hallways tidy and storing all your umbrellas away for a rainy day. Our umbrella holders can be kept on a porch to keep wet umbrellas contained, and with handy drip trays, you can be confident that your floors will be protected.

How do I choose the best umbrella holder?

Choose a decorative metal umbrella holder to make a statement, or opt for a sleek black umbrella stand to fit with your modern interior. Umbrella baskets are also popular, especially in boho or Scandi-style homes.

Where should umbrella stands be placed?

Now you get to keep it in the same spot Umbrella stands are perfect for storing umbrellas whether wet or dry, and can be typically placed under the porch, or in the hallway, utility room or boot room.

How many umbrellas can a black umbrella stand hold?

A modern umbrella stand for minimalist homes, this black option is sleek yet practical - and compact. It's great for small or large hallways, whilst it's rounded and soft in shape so as not to stick out like a sore thumb. It can hold up to four umbrellas, of any size, at any time. Dimensions: H20.8cm x W7.6cm x D28cm

What can I use my new umbrella stand for?

Not just for holding brollies, you can also use your new umbrella stand for holding Nan's walking stick - or for storing an eyesore shoehorn out of sight. Choose a decorative metal umbrella holder to make a statement, or opt for a sleek black umbrella stand to fit with your modern interior.

How do you store an umbrella stand?

There's a hole for two or three umbrellas to stand inside, as well as a dip at the base to keep them in place whilst they dry off. Dry the base with a cloth if it gets wet, and definitely don't hide this umbrella stand away in a cupboard - it's good looking enough to be placed right by the front door. Dimensions: H51 x W29cm x D18.5cm
