### Will CNNP move into the solar market of Timor-Leste?

The renewables unit of China National Nuclear Power (CNNP) is considering move into the solar market of the Southeast Asian market of Timor-Leste, two sources told Infralogic. CNNP Rich Energy is interested in taking part in an international tender to develop a solar plus battery energy storage system, they said.

#### What is Timor-Leste's energy policy?

The government of "Timor-Leste" is also trying to shift its policy to the introduction of clean energy, such as hydraulic, wind, and solar power generation. However, the most of its national budget for the electric power sector are spent on fuel import and electricity charges, so it is difficult to realize its policy.

#### What is the main power source in Timor-Leste?

Almost all main power sources in "Timor-Leste" depend on diesel electric power generation, and the fuel used for power generation (crude oil) is all imported.

Does Timor-Leste have electricity?

In Timor-Leste, the access to electricity varies significantly, from about 80 percent in the capital Dili to 10 percent in outlying regions. 24-hour electricity is available only in Dili and Baucau (the two largest towns). According to 2004 census data, at least 185,000 households lack access to the electricity grid.

### Can a Timor-Leste solar power plant be financed?

The tender, which was announced in February this year by state utility Eletricidade de Timor-Leste, is seeking an investor that can design, finance, operate and maintain a 72-85 MW solar power plant and a 36-43 MW battery energy project under long-term purchase agreements with the state grid in the capital city of Manatuto, the sources said.

### What is Timor-Leste's energy field?

For its energy field,"Timor-Leste", as stated in its "Development Strategies by Sector" under the National Development Policy, aims to develop its economic energy sources, such as natural gas, solar power, and hydraulic power, and thereby enhance the capability of power generation/self-supply.

8 Timor Leste Power Tool Batteries Market Key Performance Indicators. 9 Timor Leste Power Tool Batteries Market - Opportunity Assessment. 9.1 Timor Leste Power Tool Batteries Market Opportunity Assessment, By Technology Type, 2020 & 2030F. 10 Timor Leste Power Tool Batteries Market - Competitive Landscape.

3.7 Timor Leste Battery Energy Management System Market Revenues & Volume Share, By Battery Type, 2020 & 2030F 3.8 Timor Leste Battery Energy Management System Market Revenues & Volume Share, By Application, 2020 & 2030F
