Who is Unisolar?

Based on previous personal experiences in energy systems and having it all the necessary European qualifications for photovoltaic systems, the two co-founders established company Unisolar L.L.C., with the aim of reaching the heights of a successful business in the field of renewable energy in Kosovo and wider.

In 2021, Titan Solar Power installed solar panels on my house located at 4735 Lombardy Fire Trail, Katy, Texas. Project # TSP94905. Although the installation was completed, the activation of the panels experienced significant delays that affected me financially, as I was already paying both the financier for the panels and the previous electricity provider.
