

# Tongwei Solar Power Generation Franchise Store

Who is Tongwei solar?

This year, Tongwei will be the largest producer of polysilicon for the solar industry (with all existing and future capacity outside of the Xinjiang region) and the largest producer of solar cells. The company is now a circa. US\$10 billion turnover entity, with sales tripling in the past few years.

What makes Tongwei unique?

Tongwei closely aligns with China's green development strategy deployment, organically integrates PV power generation with modern fisheries, and pioneered the "Fishery & PV Integration" development model where power generates on the top and fish swim on the bottom.

What makes Tongwei a good company?

fishery facilities and equipment, and financing guarantees. Tongwei is a large multinational enterprise with eco-agriculture and new energy as our dual main business. Believing that "PV changes the world," we take it as our responsibility to build a world-class clean energy supplier and a world-class safe food supplier.

Who is Tongwei agricultural development?

Deeply ploughing agriculture for 40 years, Tongwei Agricultural Development has focused on feed production and aquacultural product breeding. fishery facilities and equipment, and financing guarantees. Tongwei is a large multinational enterprise with eco-agriculture and new energy as our dual main business.

What makes Tongwei a high-purity crystalline silicon 'intelligent manufacturing in China'?

With a purity of 99.999999999%, the products represent the excellence of high-purity crystalline silicon "intelligent manufacturing in China". With the solid and robust upstream reserves within the industry chain, Tongwei entered the module business in 2013. The product is produced by the "Industry 4.0" system of smart manufacturing.

Who is Tongwei module?

With the solid and robust upstream reserves within the industry chain, Tongwei entered the module business in 2013. The product is produced by the "Industry 4.0" system of smart manufacturing. Tongwei creates high-efficiency shingled and half-cell products to achieve all-round coverage.

High-efficiency cell with advanced encapsulation technology Industry-leading module output Excellent power temperature coefficient -0.34%/°C High Reliability Cell lossless cutting+multi ...

The black frame adds an aesthetic appeal, blending seamlessly with various roof types. With a power output of 415 watts, it provides ample energy generation. Overall, the Tongwei TW Solar 415 Watt MBB Half-Cell Monofacial Black ...
