What are the top solar panel brands in 2024?

February 13, 2024 - Today, SolarReviews released its annual solar panel brand ranking list, and Qcells has been crowned the top solar panel brand for the second year in a row! Details around the ranking list can be found here, but here is a quick snapshot of the top 2024 solar panel brands:

Who makes the best solar panels?

Panasonic: Panasonic, a leader in home electronics, is also a top name in the solar industry. Its solar panels and battery both made it on our "best of" lists because of their top quality and great performance. However, the company falls behind regarding U.S. investment and doesn't manufacture its own panels.

Which solar panels are most popular in 2023?

The people have spoken. REC and Q Cells were clearly the preferred brands of solar panels in 2023 and were selected in nearly 75% of sales on the solar.com marketplace. Panasonic was a distant third place with 9.3% market share, followed by 11 brands that were selected less than 5% of the time.

Which solar panels are best for your home?

SunPower, REC, Panasonic, Moxeon, and Jinko Solar offer the best solar panels. The type of solar panel, power output, efficiency, performance in warm climates, warranty, and price are the key factors to assess when comparing solar panels. The best solar panel for your home can depend on your roof space, shading, and climate.

What is the best solar inverter brand of 2024?

IQ8's come with an industry-leading 25-year warranty and have proven to have a very low failure rate, making Enphase the best solar inverter brand of 2024. Also founded in 2006, Israel-based SolarEdge is Enphase's toughest competition for the best solar inverter brand of 2024.

What are the best solar panels in China?

Fourth on our list is JA Solar, a Chinese solar brand known for its low prices and reliable products. At an estimated cost of \$2.65 per watt installed, JA panels stand significantly below the national average solar installation cost of \$3.00 per watt, earning them the title of the best value panel in our ranking.

While there we took a photograph beside a sign and the flag of Wallis and Futuna that says, "Welcome to the Remotest Island". We were welcomed by charming locals at the Talietumu or Kolo Nui, this preserved site is located at the southern point of Wallis. It once served as an outpost for the Tongan Empire in the 17 th century.
