Republic of the Congo - Colonial History, French Rule, African Culture: By the early 19th century, the Congo River had become a major avenue of commerce between the coast and the interior. Henry Morton Stanley, a British journalist, explored the river in 1877, but France acquired jurisdiction in 1880 when Pierre de Brazza signed a treaty with the Tio ruler. The ...

Les raisons de venir en République du Congo ne manquent pas. A commencer par la diversité du paysage national, en passant par la richesse architecturale que nous avons héritée de l'époque coloniale, jusqu'aux richesses culturelles fournies par la diversité des ethnies, jusqu'à l'art des musiciens et auteurs de renommée mondiale.

Institut Medical Chretien du Kasai (IMCK) is the primary health care facility and a center for medical education in the central region of Democratic Republic of Congo.
