

Trinity energy Ethiopia

Who is Trinity Energy Limited?

Thank you for having me. Trinity Energy Limited (TEL) is a pan African integrated energy company founded in 2012. Upon its inception, Trinity adopted a focus on all aspects of the energy business in South Sudan to provide affordable and accessible energy solutions for the people of South Sudan.

What is Trinity Energy?

Trinity Energy is a South Sudanese oil marketing company that is embroiled in a scandal over the controversial procurement of a \$30 million loan from the African Export-Import Bank (Afreximbank) backed by senior government officials. This raises integrity questions about the firm that is seeking to expand its foothold in East Africa.

Is Trinity Energy a pan African Company?

While Trinity Energy may have its roots or origins in South Sudan, Ayii is resolute in his drive to give the company a Pan African dimension. At a time when many considered South Sudan a basket case and fled the country because of political instability, Ayii and his team weathered the storm and today Trinity Energy is the market leader.

Does Trinity energy supply refined oil to South Sudan?

Trinity Energy has supplied substantial volumes of refined oil products to the Republic of South Sudan, effectively stabilising domestic supply and demand for refined oil products. Trinity Energy has invested in a robust supply chain that consists of a storage facility in Nesitu with a capacity of 6 million litres.

Why did Trinity Energy Invest in nesitu?

Trinity Energy has invested in a robust supply chain that consists of a storage facility in Nesitu with a capacity of 6 million litres. We believe that this investment together with our social programmes and commitment to the growth of the private sector will lead to a much-needed socio-economic development in South Sudan.
