Bet Solar empresa valenciana líder en distribución técnica de material fotovoltaico. Referente en la distribución de energía solar fotovoltaica para instalaciones aisladas, autoconsumo con conexión a red (con y sin acumulación), y bombeo solar tanto a nivel nacional como internacional.

Os módulos Q.TRON do tipo N são projectados para resistir a neve pesada e ao ambiente ventoso, mesmo com a espessura da estrutura de 30 mm. A estrutura mais fina torna o módulo mais leve, proporcionando benefícios de transporte ...

Tron was created by Lester Gray after moving to Illinois with little money, a lot of determination and one big vision to make solar affordable and efficient in Chicagoland. After a quick establishment as a leader in the solar field, Tron's office slowly grew out of Lester's basement and into a rapidly growing 44-person staffed office.
