Will Ukraine be a 'green energy hub' for Europe?

But Ukraine's power system perseveres. Yesterday (23 February), the ministry reported that it sent surplus electricity to Poland, as a result of excess power generated by solar plants. President Volodymyr Zelenskyy has said that he wants Ukraine to be a "green energy hub" for Europe.

Can Ukraine become a green energy superpower?

New research from Razom We Stand has found that replacing all of Ukraine's coal-powered plants with renewable energy would cost around \$17 billion (EUR15.7 billion) - an achievable amount, according to the director. This commitment to become a green energy superpower... excites me the most because it means we eliminate poverty.

Is Russia targeting Ukraine's energy facilities?

The facility has been repeatedly targeted by Russian airstrikes. Mauricio Lima for The New York Times Russia launched a missile attack on Ukraine's energy infrastructure early Friday, in an assault that President Volodymyr Zelensky described as "one of the largest strikes" on his country's power facilities.

How has Russia impacted Ukraine's energy system?

Since October 2022, Ukraine's energy system has been one of the main targets of Russia's brutal military attacks. Russia has escalated its attacks since March 2024, causing significant damage to Ukraine's power generation capacity and further endangering the Ukrainian people's access to critical services.

Did Russia launch a massive attack on Ukraine's energy infrastructure?

Russia has launched a huge attack on Ukraine's energy infrastructure, which authorities said was the twelfth large-scale attack on energy facilities this year. Ninety-three missiles and more than 200 drones were used - but 81 of the missiles were shot down, according to President Volodymyr Zelensky.

Is the energy sector under a massive attack in Ukraine?

"The enemy continues its terror. Once again, the energy sector across Ukraine is under massive attack," Ukrainian energy minister German Halushchenko said on his official Facebook page. The extent of the damage had yet to be clarified, he said, while urging people to remain in shelters.
