

United Arab Emirates rapidan energy group

Who is Rapidan Energy Group?

Rapidan Energy Group is an independent energy market, policy, and geopolitical analysis firm based in Washington, DC and led by an unrivalled team of former senior officials, policymakers and energy experts.

What is Rapidan's Energy Policy Service?

Rapidan's Energy Policy Service cuts through noise in capitals from Washington to Brussels to Beijing to assess the timing, likelihood and impact of policy and regulatory changes on the energy sector. Coverage includes environmental regulation, tax and trade policy, litigation risk, industry mandates, and sanctions.

What is Rapidan's global gas & LNG service?

Rapidan's Global Gas & LNG Service offers in-depth analysis of North American, European, and global gas and LNG fundamentals, covering supply, demand, and pricing. We leverage our expertise at the intersection of markets, policy, and geopolitics to give decisionmakers the critical insights they need to navigate dynamic markets.

What is Rapidan's geopolitical risk service?

Rapidan's Geopolitical Risk Service leverages an unrivaled team of former senior White House and intelligence officials to identify and assess geopolitical trends and events. We integrate geopolitical expertise to analyze threats to energy production and flows, global and regional investments, and personnel and property.
