EXEL GRP LTD. Leading manufacturer of electrical enclosures, Kiosks Walk in kiosks - electrical enclosure standard electrical enclosure bespoke Meter box Walk in kiosk fiberglass electric ...

Meter boxes rated IP66 are dust-tight and offer excellent protection both indoors and outdoors from the elements. A meter box that satisfies this rating will prevent high-pressure water from entering. Despite IP66 enclosures being waterproof against hose-directed water and falling drops of rain or snow, they are not intended to be submerged in ...
