

Universal storage cabinet series

What storage options does universal offer?

Our most extensive and versatile storage line, Universal offers an array of sizes, drawer and shelf configurations, choices in steel, laminate and wood veneer, options in pulls, casters and glides, as well as both Steelcase standard and custom surface materials. Dimensions listed are nominal.

What is universal storage & how does it work?

This inviting collaborative space encourages active collaboration and facilitates conversations, promoting creative work. The Universal Storage provides boundary and separation between spaces, ample storage for team supplies as well as space for analogue notetaking aside the Microsoft Surface Hub.

What is a universal cupboard?

Universal is a complete storage family consisting of medium- to high-capacity cupboards made from sustainable materials. Universal cupboards in different heights help set boundaries and define space, providing people with varying levels of acoustic and visual privacy.

What is a universal storage wardrobe unit?

This enclosed and owned private office facilitates deep workflow by promoting fluid transitions between task, standing and lounge postures. The Universal Storage Wardrobe Unit provides an organized, lockable space for personal items and documents used throughout the day. We create products that are good for people, and good for the world.

Why should you choose a universal cupboard?

Universal cupboards in different heights help set boundaries and define space, providing people with varying levels of acoustic and visual privacy. The design blends with an extensive range of furniture, making it a comprehensive and flexible element to structure and optimize spaces that support both focus work and collaboration.

What is TS series Storage?

With a fundamental and clean design, TS Series storage is a hard-working, economical steel base solution that can flexibly integrate into a wide range of Steelcase workspace applications. TS Series storage supports the increasingly mobile ways of working with a wide variety of solutions spanning the high performance workplace.
