

Valley solar Latvia

Central Valley's Leader in Solar Pool Heating. If you live in the Central Valley, solar pool heating is a must! When your pool goes solar, you won't need to do the "big toe test" anymore --you can dive in to a pool that's warmer by 8-12 degrees. You'll also be able to extend the length of your swim season, too!

We piloted permitting, species and habitat mitigation, and monitoring and compliance support efforts at the California Valley Solar Ranch (CVSR). This nearly 1600-acre solar facility in eastern San Luis Obispo County provides 250 megawatts of renewable energy to Pacific Gas and Electric Company's utility grid.
