Company Services Limited is a licensed Company service provider under the Company and Trust Services Provider Act of 2012 of Vanuatu. The Company's mission is to provide high quality ...

Hithium has launched a 55 megawatt hours (MWh) battery energy storage system (BESS) project in Razlog, southwestern Bulgaria. The project, the largest in Eastern Europe, has been realised by Solarpro, a company specialising in energy generation and storage solutions across Europe.

Gridmatic has contracted to operate more than 300MW of BESS projects across the ERCOT and California Independent System Operator markets. Energy Vault chair and CEO Robert Piconi said: "Owning energy storage infrastructure plays a critical role in our commitment to deliver long-term, sustainable shareholder value while allowing the company to ...
