Discover Sunpower Solutions for your home. Harness the power of the sun with reliable and efficient solar energy systems for a brighter, more sustainable future. ABN 54 642 803 496

Launched in September in the communities of Wintua and Lorlow, the micro-grid is Vanuatu's first-ever community-run power system: members of the communities own and manage it. This keeps energy costs low as there are no external operation costs or profit margin are usually incorporated into an electricity fee and passed onto consumers.

# Vanuatu sunik power solutions
