The two islands have completely separate energy systems - the St Kitts Electricity Department is a government-owned utility company responsible for the generation, transmission and distribution of electricity on St Kitts. The Nevis Electricity Company is a public-private company that provides the same services on Nevis.

Michael Martin, CEO of the St. Kitts and Nevis Citizenship by Investment Unit (CIU), resigned during a stakeholder meeting today. He will leave the CIU on 30 September. Martin's departure comes less than two years after his appointment and amid significant changes to the nation's Citizenship by Investment (CBI) program.

This profile provides a snapshot of the energy landscape of the Federation of St. Christopher (St. Kitts) and Nevis - two islands located in the Leeward Islands in the West Indies. Original language American English

Basseterre, St. Kitts - The Prime Minister of St. Kitts and Nevis, the Honourable Dr. Terrance Drew, reaffirmed the nation's commitment to achieving energy independence during his latest "Roundtable" discussion on 8th October, 2024, at the Koi Resort. "We need to transition to a sustainable island state with energy at the centre," stated Prime Minister [...]
