

How many reports has WSRW produced on occupied Western Sahara?

WSRW has produced four reports on the energy industry in occupied Western Sahara, two on renewables and two on oil and gas. Totally Wrong (2013b) focuses on the activities of the Total oil company in occupied Western Sahara.

Is the Sahara based on economic resources?

The idea of the economic viability of the SADR being based on its economic resources is also found in Shelley (2004) and echoed by MINURSO and UN Special Envoy to the Sahara, James Baker. Kingsbury (2015) establishes that Western Sahara is illegally and militarily occupied by Morocco.

Is Western Sahara a self-governing territory?

However, as noted above, the general trend is to view Western Sahara as a non-self-governing territory and apply Chapter XI of the UN Charter (Saul 2015), which establishes that only the state - and not the individual - is responsible.

Is natural resource exploitation a problem in Western Sahara?

As the issue of natural resource exploitation in Western Sahara has been conceptualised in very different ways and from the perspectives of a variety of disciplines, the authors have opted for a semi-systematic review of the work done encompassing academic, non-academic, and activist backgrounds.

Is Western Sahara an interdisciplinary field?

"Western Sahara, Resources, and International Accountability." Global Change, Peace and Security 27 (3): 285-299. The production of research on natural resource exploitation in Western Sahara is accelerating. Yet this field remains interdisciplinary, and the work is carried out by researchers from academic, no...

How interdisciplinary is research on natural resource exploitation in Western Sahara?

The production of research on natural resource exploitation in Western Sahara is accelerating. Yet this field remains interdisciplinary, and the work is carried out by researchers from academic, non-academic, and activist backgrounds, with sometimes very different aims and envisaged audiences.

In an unprecedented move, over 30 British MPs sent a letter to Lord David Cameron, the UK's Foreign Secretary, last week, urging him to recognize the Moroccan Autonomy Plan for Western Sahara as the basis of a ...

In late July, Morocco secured another diplomatic coup in a string of recent triumphs when France backed its territorial claims over Western Sahara. France joins a growing list of countries, including the United States, to champion the North African kingdom's plan for autonomy under Moroccan sovereignty. France's decision is, however, the source of much ...

The Western Sahara Autonomy Proposal is an initiative proposed by Morocco in 2006 as a possible solution to the Western Sahara conflict. In 2006, the Moroccan Royal Advisory Council for Saharan Affairs (CORCAS) proposed a plan [1] for the autonomy of Western Sahara and made visits to a number of countries to explain the proposal. The Spanish approach to regional ...

The Sahrawi Arab Democratic Republic (SADR), or Western Sahara, appears to be gradually but steadily losing ground in its long battle for independence from Morocco. In 1991, Rabat accepted a United Nations (UN) ...

Atlas Energy Autonomy Ltd is an active company incorporated on 19 May 2024 with the registered office located in London, Greater London. Atlas Energy Autonomy Ltd was registered 4 months ago. Status. ACTIVE. Active since incorporation. Company No. 15728954. Private limited company. Age. 4 months. Incorporated 19 May 2024.

In late February 2007, Western Saharan nationalists celebrated the thirty-first anniversary of their government, the Saharan Arab Democratic Republic. The official ceremonies did not take place in Laayoune, the declared capital of Western Sahara, but in the small outpost of Tifariti near the Algerian border. This is because most of Western Sahara is under the ...
