

What can be placed in the forest locker

What is a large cabinet in the forest?

The Large Cabinet, also known as the Snack Cabinet, is a storage building that was added in update v0.13 of The Forest. The large cabinet, much like its smaller cousin, the small cabinet, can be found on the second page of the storage section in the survival guide. It provides space for up to 12 items of the ones named above.

How many rocks can you store in the forest?

Having a large stockpile of stones will make playing The Forest that little bit easier. The small rock holder will store up to 20 rocks, while the large will store up to 40. When first entering The Forest, the main goal for most players will be building a strong base. The easiest and quickest way to achieve this is by constructing log walls.

How many logs can a stick holder store?

Small Stick Holder and Large Stick Holder - both of those allow players to store Sticks. They store 20 and 40 Sticks respectively. Small Log Holder and Large Log Holder - both of those allow players to store 7 and 12 Logs respectively. Small Rock Holder and Large Rock Holder - allow players to store 20 and 40 Rocks respectively.

What are the most useful items in the forest?

Some of the most useful items players will learn to use in The Forest are bones. Used for crafting a number of items that will become necessities for survival, the bone basket is an item worth crafting early. Bones are a little less common than some items in the game, but taking the time to build a collection is worth the effort.

What are the best items to build in the forest?

Logs are used in most building blueprints and are the most commonly farmed item in the game. Traps can be a huge help when dealing with aggressive cannibals in The Forest; here are the best ones players should build. Protecting the base solely with log walls isn't effective long-term.

How do you store items?

To store items, you will have to place them inside the container. To use them again, you need to take them out of the given container. This group includes the following constructions: Small Stick Holder and Large Stick Holder - both of those allow players to store Sticks. They store 20 and 40 Sticks respectively.
