

What can be put in the living room storage cabinet

What are the best living room storage ideas?

Think of a coffee table with storage such as a shelf and drawers, built-in shelving solutions, or box cabinets that can be wall-mounted. It can be hard to find the right living room storage ideas - it depends on the style of your room and how much you need to store.

How do you decorate a living room with a built-in shelf?

A classic built-in shelf adorns the corner of this living room, making it the perfect spot to showcase family photos and travel trinkets. The open shelving breaks up stuffiness from the wood tones and flat walls. Plus, concealed cabinets are placed underneath for extra storage.

How do you store small living room items?

You can use baskets to contain clutter and hold miscellaneous items like blankets, books, and toys. Plus, storage baskets come in different styles like fabric, wire, rope, and rattan, so you can find options that complement your decor! Not sure where to store small living room items? Tuck them away in hollowed-out home decor!

How do I add storage to my living room?

If you don't have built-ins, introducing a shelf that works well with the rest of your space is a great way to add extra storage to your living room. This minimalist living room from Calimia Home features a natural wood shelf on the perimeter that blends well enough to feel intentional while adding extra storage to the small space.

What cabinets go well with open shelving?

Open shelving creates a light and airy feel in any room but works particularly well in living rooms as extra storage that's not 'heavy' to look at. Match yours to the cabinetry you have below for a well-composed look. Amazon's Floating Shelves are a good match to this O&K Furniture Farmhouse Sideboard Cabinet in brown .

What should I put under my living room furniture?

Double-duty furniture, like a storage sofa or a bench, helps hide the clutter that would otherwise make your living room look like a mess. Tuck blankets and throws underneath the cushions of your couch. Put slippers and shoes under bench cushions. You can also stash chargers, cords, and remotes underneath, too.
