

Wolong energy storage Paraguay

Founded in 1984 at the base of the Wolong mountain in Zhejiang Province, China, Wolong has grown from an electric motor manufacturer to a global leader in electric and new energy technologies. The Wolong Group is firmly aligned with environmentally respectful trends and carbon neutral goals as it strives to become a leading global enterprise.

Wolong offers an integrated PV and storage system for households. Distinguished by its compact and flexible design, high safety, and intelligent management features, it is ideally suited for ...

Distribution transformer is the latest generation of energy-saving transformer, which has been widely used in distribution network. Its high efficiency, strong short-circuit resistance, deep load center, low noise, beautiful and environmental protection of the excellent characteristics have won the majority of users respected and widely praised.
