

Xtg green energy Tokelau

Who is XTG Green?

XTG Green is a fast-growing company that is made up of professionals with years of experience in the RES industry, as well as young staff bringing energy and dynamism. We offer state-of-the-art solutions to improve living comfort and energy independence. We direct our offer to individual customers, installation companies and wholesalers.

What does XTG do?

At XTG, we provide the world with mobile devices as well as from the home appliances and beauty industries. We are part of the global technological revolution, providing our clients with access to equipment and solutions that positively affect their everyday lives - in business and in private life. We have what you need.

Why should you join XTG?

There is no modern business without modern technologies. Therefore, with business partners in mind, we have prepared a dedicated platform, which is a channel that facilitates the implementation of transactions and exchange of information. Join our partners and comfortably use the knowledge and resources provided by cooperation with XTG!

Do I need storage space to sell goods bought from XTG?

You do not need to have storage space to sell goods bought from XTG. As part of the dropshipping service, we manage, store and send goods to your customer. You focus only on acquiring new customers, sales or advertising. It's a convenient solution in which XTG can be your experienced and reliable partner.
