

Yemen ecostal group

Will ecostal become a European leader in the distribution of photovoltaic equipment?

Stéphane Dauvister, Chairman of the Board of Ecostal Group, said: "This transaction clearly confirms our intention to become a European leader in the distribution of photovoltaic equipment."

Who is ecostal group?

Ecostal Group operates in Belgium and France through 7 separate legal entities (Ecostal Group SA, Ecostal SAS, Ecostal SRL, Siguesol SAS, Project Zero NV and SolaRecycle SA). The company employs around forty people dedicated to the energy transition. About YOMATEC:

Why should yamatec join ecostal group?

Christophe Piron, CEO of Ecostal Group adds: "Welcoming Yamatec to our group is a real opportunity and will help us to serve all installers in France even more effectively. Our product ranges are complementary, and Yamatec's presence in the Paris region will enable us to be even closer to our customers. Our DNAs are similar."

Why did ecostal acquire yamatec?

The acquisition of Yamatec, established in 1996 in Paris, marks an important new stage in Ecostal Group's European expansion strategy. Already active in France since November 2022 through its subsidiary Ecostal, based in Beziers, Ecostal Group intends to use this acquisition to expand its presence in the French market.

Are ecostal group and yamatec complementary?

Stephane Dauvister, Chairman of Ecostal Group - Christophe Piron, CEO of Ecostal Group
"The complementary nature of Ecostal Group and Yamatec makes perfect sense," says Michel Ayache, CEO of Yamatec.

How will ecostal group expand its presence in France?

Already active in France since November 2022 through its subsidiary Ecostal, based in Beziers, Ecostal Group intends to use this acquisition to expand its presence in the French market. By setting up a platform in the Paris region Ecostal can provide maximum value to professionals in the photovoltaic energy sector.
