

# Yingli photovoltaic panel distribution

Where are Yingli solar panels manufactured?

Yingli Solar, headquartered in China, manufactures its solar panels using advanced technology. The company sells its solar panels in New Zealand via distributors and has won many awards for its panels. Yingli Solar produces and supplies the following solar modules:

How many countries does Yingli Solar provide photovoltaic products to?

From May 2003 to July 2019, Yingli Solar has provided photovoltaic products to 132 countries, ranking third among its competitors in terms of the number of customer countries. The aggregate installed capacity of power plants accounts for 3.1% of the world's total, ranking eighth among all photovoltaic product providers.

Are Yingli solar panels a good choice?

Yingli Solar has modules that range from 315 - 450 watt solar panels, which is a solid range to choose from. Either one of Yingli's residential solar panels will provide enough power to keep your home's electricity running. A solar panel's efficiency rating represents the amount of energy absorbed that will be turned into electricity.

How much do Yingli solar panels cost?

Yingli's solar panels will cost you anywhere between \$2.50 and \$3.10 per watt. For reference, an average 7kW solar system can cost you about \$21,000 before the federal tax credit. You can expect Yingli Solar panels to be slightly below the average because they are known as a less expensive brand.

How much power does a Yingli solar panel produce?

In the case of Yingli solar panels, it is between 315W - 450W. The positive power rating for Yingli solar panels is listed at 0/+5 W, meaning that the panels will not produce less than their power rating but they might produce as much as 5 W more than their highest rated wattage.

Are Yingli solar panels UL certified?

All Yingli solar panels have a 25-year power output warranty, UL certification and California CEC approval. They qualify for renewable energy tax credits and rebates.

also commonly known as solar panels) manufactured by Yingli Green Energy Holding Co. Ltd. ("Yingli Solar"), and is explicitly written for qualified professionals ("Installer" ... Yingli Solar PV ...
